## Skills

JavaScript, React, Redux, Ruby, Ruby on Rails, HTML, CSS, SQL, SQLite3, PostgreSQL, Mongoose, MongoDB, Node.js, Express.js, Webpack, jQuery, Ajax, Git, AWS, Heroku

## Projects

### PoliMap

[live site](#) | [github](#)

HTML5 , JavaScript , CSS , Webpack

*Shows the transition of each state's election results by changing their color to align with the winning political party*

- Developed application to visualize data on election results and trends
- Created algorithm to collect and organize data by parsing csv files

### Hip Camp Clone

[live site](#) | [github](#)

JavaScript , React / Redux , Ruby on Rails , postgresSQL , CSS3 , AWS , Google Maps API, Heroku , Webpack

*A pixel for pixel clone of the campsite booking app Hipcamp*

- Built functionality for users to create, view, update, and delete bookings and reviews
- Utilized Google Maps API to display spot locations and filter through nearest spots

### Dayze

[live site](#) | [github](#)

JavaScript , React / Redux , Node.js , Mongoose, MongoDB, Express.js, CSS3 , AWS , Google Calendar API, Heroku

*Event tracker with Google Calendar API integration*

- Worked with a team to develop a calendar management application
- Built a work schedule and managed our teams git workflow as the team lead
- Integrated Google Calendar API to sync, store, and display user events easier

## Experience

**Chef** | 2019 - 2021

Momofuku Noodle Bar | Red Hook Tavern | Peiranos

- Started as a prep and line cook at David Chang's Momofuku Noodle Bar and worked my way up the kitchen ranks by thriving in the high pressure and high volume environment
- Recruited as the Sous Chef at the trendy Red Hook Tavern, where I developed recipes, calculated food cost, trained new cooks, and managed dinner services.
- During the pandemic, moved out to Ventura, CA and worked as the Chef de Cuisine at Peiranos, where I helped start a dinner service and came up with creative affordable dishes.

**Americorps Member** | 2017 - 2018

*City Year Miami*

- Taught 7th and 8th grade math in Title 1 Miami Dade Public Schools
- Managed classrooms of 40+ and conducted interventions with struggling students
- Coordinated and organized beneficial community events

## Education

**App Academy** | 2021 | New York, NY

Immersive software development program with focus on full stack web development

**KU Leuven** | 2018 - 2019 | Brussels, BE

Studied business while traveling throughout Europe and experiencing a variety of cultures
